

TSOM POLICY – COMMUNITY EDUCATION CLASSES

TSOM teachers (members of TSoM) who offer classes through community education programs throughout the Twin Cities are allowed to include in their class descriptions and/or personal biographies for those classes an indication that they are endorsed by the Tango Society of Minnesota. Teachers must notify the TSoM board that they have used or included this endorsement in any such class description or biography. This policy is not intended to show any partiality with regard to teachers and is not an endorsement by TSoM or its board of any particular teacher over another.
