

POLICY FOR DEMONSTRATIONS AND PERFORMANCES AT TSOM SPONSORED EVENTS.

The Tango Society of Minnesota (TSOM) welcomes demonstrations and performances at its sponsored milongas and events. The content of these presentations should be geared toward enhancing the overall experience of the milongas. Thus it is encouraged that these performances be inspiring and entertaining while showing either examples of social dancing or more choreographed material.

1. Prior consent from the TSOM board shall be required for all demonstrations or performances.
2. Performances or demonstrations will generally be limited to one per milonga.
3. There will be no compensation for demonstrations or performances unless explicitly authorized by the TSOM board.
4. Demonstrations or performances by visiting teachers or dancers should be no more than 15 minutes in duration.
5. Local teachers and/or dancers are encouraged to develop demonstration or performance pieces (choreographed or partially-choreographed) for edification, entertainment, or inspiration. These should not merely be demonstrations of social dancing.
6. Demonstrations by local teachers and/or dancers should be limited to one song.
7. No local teacher, dancer or group of dancers will present more than one demonstration or performance within the span of one calendar year.

TSOM's hope is that these demonstrations be entertaining, instructive, and inspiring and help to fulfill TSOM's mission of fostering and supporting Argentine Tango. It will always be TSOM's goal to strive for impartiality in executing this policy.
